Chapter 1 by Sam I am

On a stormy, summer night, Damian was sitting in his bedroom quietly listening to music. He had just got back from a long day working at Freddy Fazbear's Pizzeria. The animatronics there always gave him the creeps.

As he was sitting on his bed, Damian heard loud footsteps thumping down the hall. It sounded like someone was wearing metal shoes or something. Confused, he looked down the hallway and there they stood. Chica, Bonnie, and Freddy all stood at the end of the hall. In an instant, they disappeared.

Scared to death, Damian closed his door shut and went back to his bed where he felt someone staring at him. He turned around and there was a little Freddy sitting on his pillow. It quickly jumped off the bed and hid again. Damian heard something in his closet that he dared not to check. This was going to be a long night.
